

MAIL STOP ISSUE FEE

REMARKS

The present application contains allowed claims 7-11, 13, 31-33, 35-51 and 58-59. In reviewing the claims prior to issue fee payment, the undersigned noted that claim 31 might be considered ambiguous, the claim is amended herewith.

Applicant is of the opinion that the amendment does not effect the patentability of the claims over the prior art. Issuance of the patent is respectfully awaited. If, however, the Examiner does not agree to the amendment, applicants respectfully request that the Examiner call the undersigned at 1 (877) 428-5468. Please note that this is a direct *toll free* number in the US that is answered in the undersigned's Israel office. Israel is 7 hours ahead of Washington.

Respectfully submitted,
Arnon NETZER, et al.
